15. (Unclassified - JGO) In response to a call from the Committee staff, I picked up a letter from House Foreign Affairs Committee mail desk addressed to Mr. Maury.

OFFICE OF LEGISLATIVE COUNSEL

25X1 1. (Confidential - GLC) J. Sourwine, Chief Counsel, Senate Internal Security Subcommittee, called to say that despite earlier indications the Subcommittee has decided to print the "Bibliography of Soviet Produced Publications [redacted] 1964-1970" which we gave to him in May with some format revision by the Library of Congress. Sourwine said they would have page proofs of the document toward the end of next week and would make a copy available to us at that time for our review and deletion of any material we wish. I reminded him that we had definite reservations about the publication of the section of this document having to do with intelligence and he said we could make whatever deletions we felt were necessary.

25X1 I mentioned to Sourwine we would be bringing over to David Martin, of the Committee staff, next week the JPRS translation of the Soviet document [redacted] for possible publication by the Subcommittee. Sourwine thanked me for our consideration in making this available.

2. (Confidential - JMM) Representative Lawrence Hogan (R., Md.) breakfasted at the Agency, met briefly with the Director, and discussed with Messrs. Osborn, Warner and members of OLC, a number of items of common interest. As a member of the Employee Benefits Subcommittee, Mr. Hogan felt confident that the Agency will be fully exempted from the House version of the "Ervin bill."

3. (Unclassified - JMM) Called Mrs. Lisa Gerard, in OMB, to say that we concurred in the comments which State Department had furnished OMB regarding S. 596 (Case bill) making Executive agreements with foreign nations available to the Congress.

25X1A 4. (Unclassified - RCR) In response to a call from Linda Steele, in the office of Representative Robert Michel (R., Ill.), arranged an employment interview for Misses [redacted] for 10 a.m., 19 October.

5. (Confidential - JMM) Called the office of Representative Peter Frelinghuysen and, in his absence, left word we would be happy to have him visit Headquarters for a lunch or breakfast to discuss his recent trip to India and Pakistan. His appointment secretary said she would call us on Monday.

6. (Confidential - JGO) In response to his call of yesterday, talked to Miss Spaulding, in the office of Representative Ogden Reid (R., N.Y.), and scheduled a meeting for 9:00 a.m., Wednesday, 20 October, with Representative Reid in his office. [redacted] OCI, has been advised. 25X1A

7. (Confidential - JGO) Received a call from Mr. Richard Barton, Employee Benefits Subcommittee staff, who gave me the text of a draft amendment which would require reporting by agencies exempt from H.R. 11150 which has been prepared for presentation by Representative Udall (D., Ariz.) at the next meeting of the full Committee scheduled for Thursday, 21 October. OGC has been advised.

8. (Internal Use Only - JGO) In talking to Representative Lawrence Hogan (R., Md.) after his visit to the Agency this morning, he expressed his satisfaction and appreciation for the briefing and courtesies extended to him on his visit to Headquarters and asked that we call on him whenever he can be of assistance on the Hill.

9. (Internal Use Only - JGO) Met with Mrs. Irene Neese, Secretary to Representative Thaddeus Dulski (D., N.Y.), concerning a constituent letter relating to one [redacted] and the foster parent's plan. 10. (Internal Use Only - JGO) Met with Mr. Richard Barton, Employee Benefits Subcommittee staff, who told me that the full Post Office and Civil Service Committee meeting date is still uncertain. R. 11150, concerning the invasion of privacy of Federal employees, on the agenda.

11. 25X1 4. (Confidential - JMM) Harry Symmes, Deputy Assistant Secretary for Congressional Relations, Department of State, called to say they were much concerned over a question on the LIG agenda for 8 October regarding [redacted] and that Under Secretary Johnson would represent State at the meeting and would hope for Agency support on this issue. I said I wasn't clear on the matter at issue, and Symmes said he was sending me their proposed position which, in effect, sought to head off a confrontation with the Foreign Relations Committee, but which he feared might be unacceptable to the NSC representatives who he expected to recommend "stonewalling." I said I'd have to see his paper before I could comment on the matter.

5. (Confidential - JGO) Received a call from Michael VanDusen, Near East Subcommittee staff, House Foreign Affairs Committee, who requested that the date for Agency briefing be set over until 14 October due to the holiday next week. I told Mr. VanDusen I could see no reason why we wouldn't be able to change but I would relay the request and be back in touch with him in the morning. [redacted] OCI, has been advised. 25X1A

6. (Unclassified - JGO) Employee Benefits Subcommittee, House Post Office and Civil Service Committee, reported the draft Committee bill on invasion of privacy of Federal employees to the full Committee with the exemption for the intelligence community intact. It is anticipated that there will be further discussion of the exemption before the full Committee to require at least reporting to the Congress of similar type cases handled within the intelligence community framework.

7. (Confidential - JGO) Met with Miss Fran Christy, House Immigration and Naturalization Subcommittee, and gave her a biographic 25X1B

[redacted]
bill will be considered by the Subcommittee in the meeting scheduled for tomorrow.
